

The background is a solid green color. Scattered throughout are several white dandelion seeds, some of which are shown in mid-air, drifting downwards. There are also faint, stylized green leaves visible at the bottom of the frame.

AT TIMES I WISH...

**Stop Comparing and
Start Caring**

DR. JILL KAHN & BRIANNA GREENSPAN

At times, I wish
my stripes would
magically turn
into spots.

**The cheetah looks
more perfect with all
the things he's got.**

At times, I
wish my neck
was as long
as a giraffe.

A cartoon illustration of a giraffe standing in a lush green forest. The giraffe has orange and brown spots and a small tuft of yellow hair on its head. It is looking towards the left. The background is filled with green foliage and a large tree trunk on the left. Several dandelion seeds are floating in the air, and some are on the ground. The text "I would reach high in the trees for anything I wanted to grab." is written in a bold, dark green font on the right side of the image.

**I would reach high
in the trees for
anything I wanted
to grab.**
