INTRODUCTION

The Message Within the Pages: Money, Cryptocurrency, and Finance

Are you interested in money, cryptocurrency, finance, and the stock market? Well, you have come to the right place!

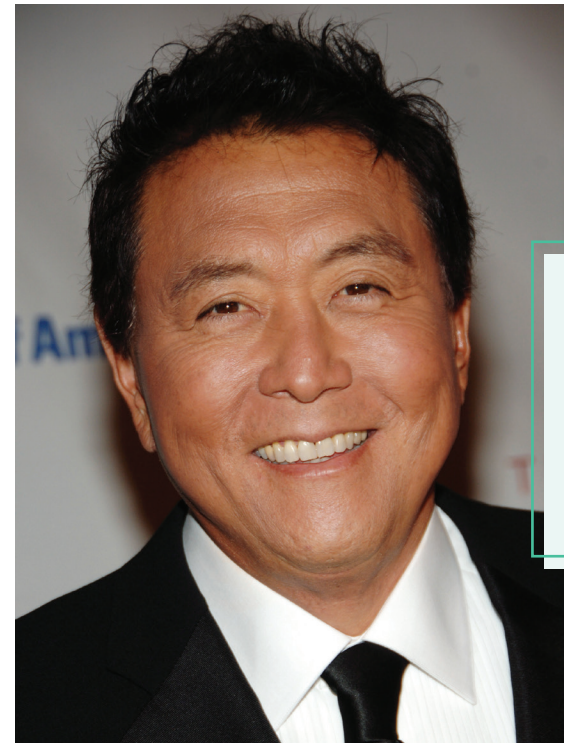

Throughout this book, you will learn about:

- money and money management.
- cryptocurrency and its technologies.
- the basics of personal finance.

This book will not teach you:

- how to be an expert stock trader.
- how to make millions of dollars.
- which specific stocks or cryptocurrencies to buy.

In other words, this book focuses on the basics of finance and investing. At times, you may find the information complicated, but do not fear! People spend their entire lives and careers learning and growing within the world of finance and investing. This is not an overnight trip, but a lifelong journey. Take notes, ask questions, and grow. It all begins here. We are excited to be a part of your journey.

"It's not how much money you make, but how much money you keep, how hard it works for you, and how many generations you keep it for."
— Robert Kiyosaki.
