

Getting up with a large smile, Dusko walks over to the bathroom to brush his teeth. While brushing with his rocket ship toothbrush, he imagines a trip into outer space.

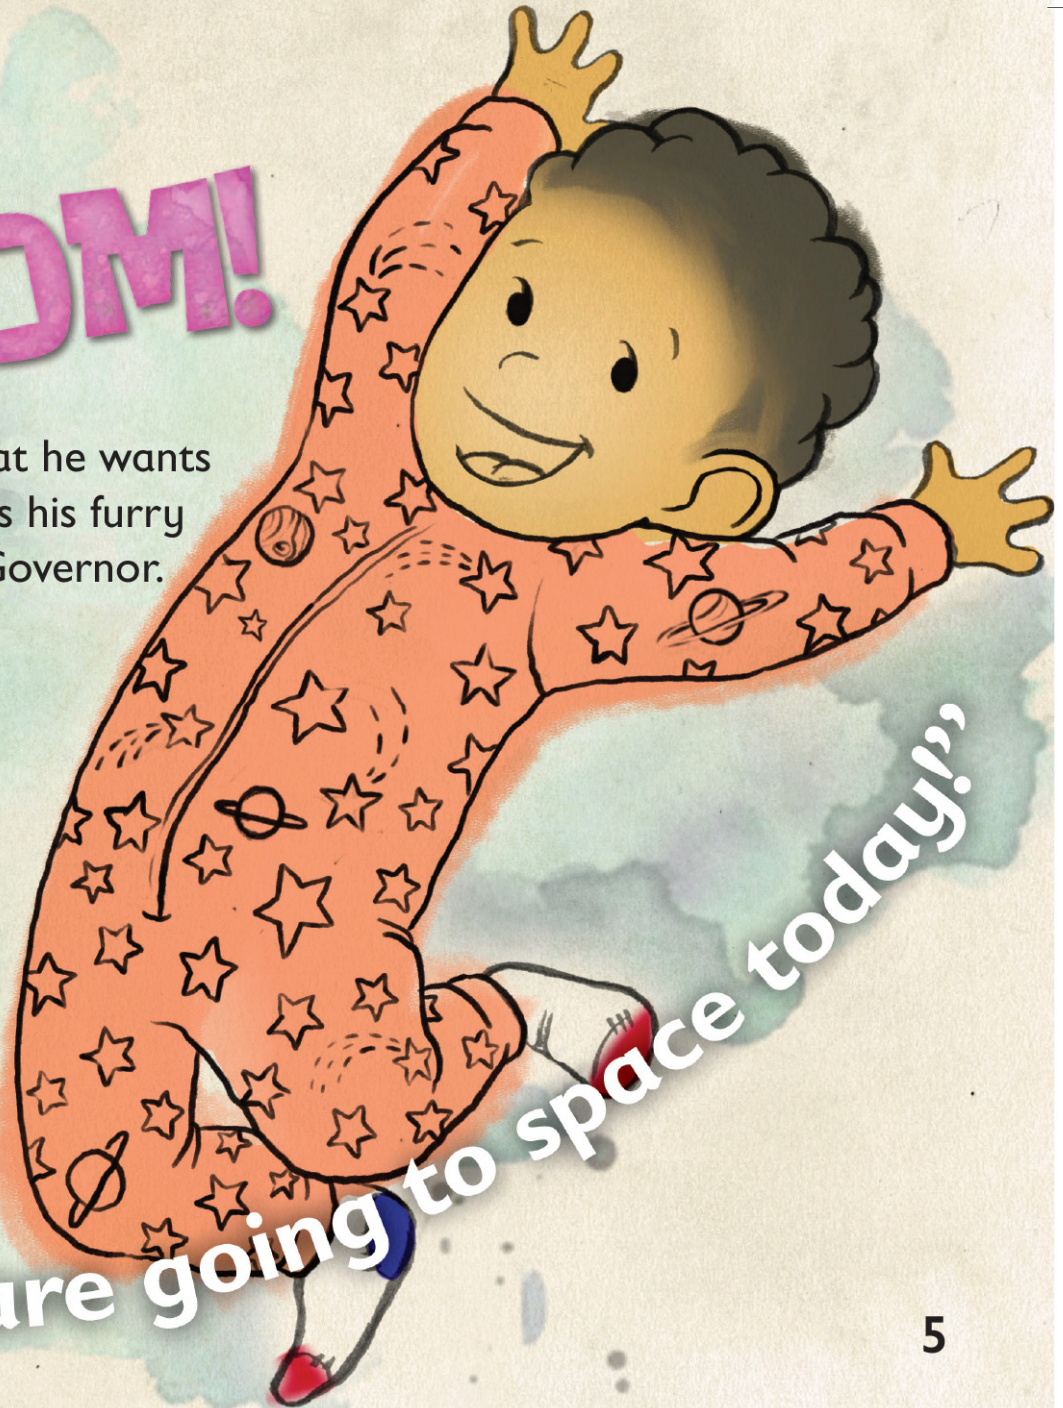

and then all of a sudden ...

**BOOM!**

He knows what he wants  
to do. He calls his furry  
best friend, Governor.

“We are going to space today!”

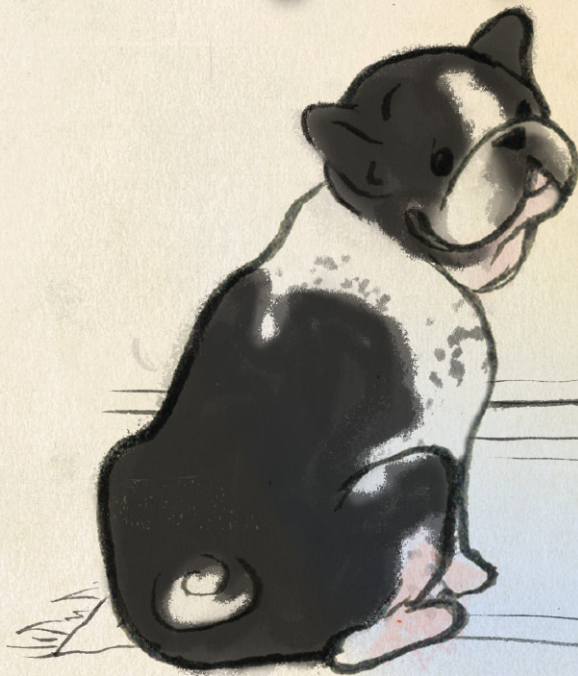

Excitedly, Dusko tells his mom about his plan. She then makes sure he has a healthy breakfast.

Overhearing his plan, his big sister immediately asks,

**“How are you going to  
get to space, Super Star?”**

Well, Dusko hasn't planned it out yet, and his sister's question stops him in his tracks. He begins to feel a little discouraged.

That's when dad comes in.

He whispers in Dusko's ear,

“There is a  
**big box**  
in the garage.”
